

SERVICES

To meet the information needs of all library users, Reeves Memorial Library offers the following services, some of which are available 24 hours a day:

- Reference assistance
- Facilities & equipment assistance
- Telephone/online reference
- Telephone/online renewals
- Suggestion boxes online & onsite
- Book requests online & onsite
- Interlibrary loan requests online
- Text telephone (TTY)

ACCOMMODATIONS

Reeves Memorial Library has various facilities, as well as various structural and locational accommodations to make access as easy as possible for our library users.

- Designated handicapped parking
- Push button entry and exit
- Handicapped accessible restrooms
- Elevator access
- Handicapped online work station
- Handicapped video/DVD viewing station

LIBRARY ACCESS

It is our goal to provide the greatest possible access to our resources for library users. We accomplish this through services, accommodations, and assistive technology.

ASSISTIVE TECHNOLOGY

Through a Library Services and Technology Act (LSTA) grant, we offer the following assistive technology to help library users gain access:

- Optical character recognition device
- Video magnifiers
- Large screen DVD/VCR
- Speech recognition program with headset
- Large screen computer monitor
- Screen magnification software with speech recognition

This workstation, located in the public access area, is close to the circulation desk and entrance.
